Mr. Parambi Lonappen *(Minister for Rural Development)*: 4 petitions were received. The petitions were enquired into and before finality was reached the matter has been stopped because the Town Council was abolished.

Mr. M. K. Raja *(Mulakunnathukavu)*: In view of the fact borne out by the facts given by the Hon'ble Minister, that in point of traffic Kunnakulam happens to be a much more important place than Vadakkancheri, was there any special reason why though the latter place was provided with a bus stand as long as before 1114 and Kunnamkulam still denied that amenity even after six years?

Mr. President: The Hon'ble Member is asking the Hon'ble Minister to answer to give reason for something that was done by Government 6 or 7 years ago. I think it is unreasonable. If he wish to know of the reason for the orders passed six or seven years ago I think he ought to give notice.

Mr. M. K. Raja *(Mulakunnathukavu)*: In answer to sub-division (L) there is a place mentioned as Cheruvatheri. May I know where that place is? To the best of my knowledge there is no place like Cheruvatheri near Kunnamkulam.

Mr. Parambi Lonappen *(Minister for Rural Development)*: Probably it may be mistake for Cheruthuruthi.

Mr. Parambi Lonappen *(Minister for Rural Development)*: A bus stand will be given to Kunnamkulam as soon as possible.
